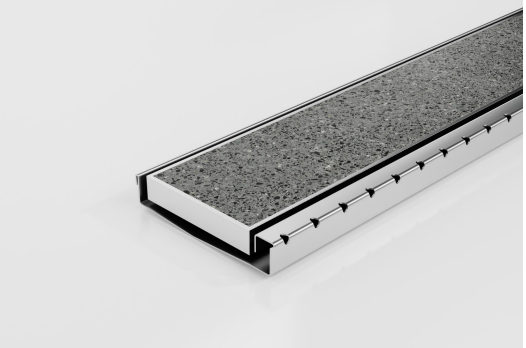
THE ORIGINAL LINEAR DRAIN THE ORIGINAL

120SCSTiiMTL

Shower Screen Support



The Shower Screen Support Grate & Channel including 120mm wide Ti grate, with a 16mm screen support bar made from 316 Stainless Steel. Suits tiles up to 10mm thick

This multi-functional system provides support for both wall-hung shower screen and enclosed shower-screen units.

The dual-sided system drains on both sides of the shower screen and is suitable for use as the sole bathroom drain. Wall-to-wall installation allows simple dual fall across the bathroom for easy tiling. Available in Made-to-length drainage units or is fully customisable in width, length and outlet position.

Made from 316 Stainless Steel, the 120SCS is designed for flexibility, and ease of installation and exceeds all Australian Standards, is WaterMark certified and is exclusive to Stormtech protected by Patent Number: 2021904197.
