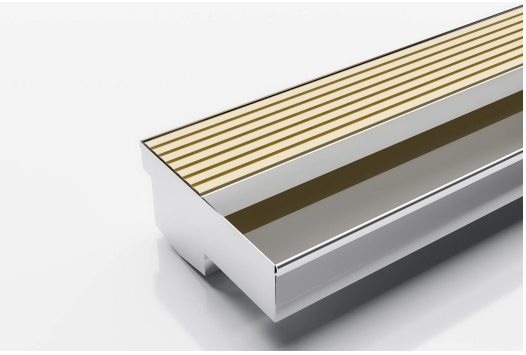
THE ORIGINAL LINEAR DRAIN THE ORIGINAL

65AATDiS-BG

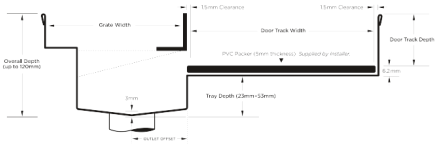
Threshold with Sill



The iconic Wave Grate, now available for level entry threshold drainage in a new slim 65 x 25mm profile and sun kissed Beach Gold finish

For sliding and hinged doors with sill only. Featuring a low carbon anodized aluminium grate with concealed 316 stainless steel channel with integrated sub-sill tray for door tracks and thresholds. Allows door sills to be drained while having internal and external floor surfaces with no step down. Please be aware that depending on the installation environment, for a pool installation or close to a surf beach, you may need to have your stainless steel channel electropolished.

Code 65AATDiS-BG
Range Threshold
Grate Style AA
Category Made-to-Length
Channel Material Stainless Steel
Steel Grade 316



Grates longer than 1500mm supplied in sections. Tile Inserts longer than 1200mm supplied in sections. Channels over 3000mm supplied in sections with joiner. +/-2mm tolerance on dimensions.

STORMTECH COLOUR FINISHES

Beach Gold

Electroplate finishes subject to natural variation with time and local environment. Factors such as pools/surf beaches may require electropolishing. Contact us for suitability.
